

SNOW REPORT

11:02AM, Monday 8th October 2018

CLOSED

3°

Last Snowfall

7cm

on 24

September

Weather Conditions

Sunny, 3°C

It's gonna be fine, one more chance to work on that goggle tan.

Snow Conditions

Average depth: 162.5cm (50cm-275cm)

Last snowfall: 7cm on 24 September

Thanks for a great season everyone. See you next year when the snow flies and it's go time!

Upcoming Events

Lifts

Tyndall Tramway

CLOSED

You best bring appropriate footwear for the tramp to the ticket office.

Rugby Tow

CLOSED

Get in some fast laps on this tow and show off your skills to the crowds down at Palmer lodge.

Access Tow

CLOSED

Can be a little tricky when the conditions are firm, but it makes it adventure getting both up and down.

Main Tow

CLOSED

Giving access to the lookers left side of the main basin and providing stunning views of the possibly haunted Grey range.

Ridge Tow

CLOSED

Gives you access to all the gnarly lines on Nervous Knob, plus all the terrain of Allen's Basin

Baby Tow

CLOSED

Great for beginners.

Traverse Tow

CLOSED

The next step after Baby tow, plus gets you from Palmer Lodge over to Main tow.

Allan's Basin

CLOSED

Two more alpine bowls for your enjoyment. Long runs, bringing you back to the Access platform.
